

Town of Van Buren Heavy Equipment Mechanic & Operator

The Town of Van Buren is looking for a qualified Heavy Equipment Mechanic & Operator. This is a regular full-time position with winter on-call hours. This position is skilled manual labor in repair, maintenance and operation of various pieces of light and heavy motorized equipment used in road construction, road maintenance, snow removal and other generalized work. The operation of front-end loaders, backhoes, dozers, trucks and graders, and other related motorized equipment is required. The appropriate candidate must have knowledge in the operation of gas and diesel engines, traffic laws, and ordinances and rules involving the operation of automotive and heavy equipment vehicles. Employee must be able to correctly diagnose and make major repairs on a variety of equipment as a situation occurs such as spring replacement, transmission and brake repair, and major engine repair. Repairs may include using welding and cutting tools. Perform regular preventative maintenance such as oil changes, filter and belt changes and lubrication as necessary. Employee would also assist road crews and other departmental activities by driving equipment or performing other manual labor tasks such as seasonal plowing and sanding of Town streets and sidewalks. Perform other duties within Public Works as needed under the direction of the Department Head. You may be required to lift equipment, tools or in combination in excess of 75 pounds. You are required to have a valid Class II Commercial Driver's License (CDL).

Send cover letter, resume and completed employment application to:
Public Works Director, 51 Main Street Ste. 101, Van Buren, Maine 04785

The application process will remain open until a suitable candidate is found.

The Town of Van Buren is an equal opportunity employer
