

TOWN OF VAN BUREN

Tax Club Policy

The Tax Club is available to ALL taxpayers that fit the criteria.

This program was set up to allow taxpayers to pay on their taxes monthly, making it easier. In order to be eligible to set up a payment plan, no prior years taxes can be owed, you need to be current. Once you go to the Town Office to request being on the tax club, you will be given a payment sheet that you can use to make and keep track of your payments. Payments start in August and must be paid by April 15; unless the 15th falls on a weekend then payment must be paid by the Friday before. No interest accrues to tax club members.

How Payments Are Determined

We take the current year's taxes and divide by 9 months. That amount would be the monthly payment.

When Payments Are Due

Payments are due on the 15th of each month. You can either bring in your payment sheet or send the coupon in the mail to arrive by that date. If there is an unpaid balance on April 16, the lien process will begin on any owed properties.

If you are interested in joining the Tax Club, please contact vbtaxcollector@gmail.com or call (207) 868-2886.

Please Note. . . if you do not join the Tax Club, you can make payments on your taxes at any time in any amount. However, you will accrue interest on dates set in bill.
